DDA's Master Rose Oliver taught a morning session featuring joint mobility drills, dantian exercises, energy cultivation exercises, and walking line drills. And at the afternoon session, Rose was assisted by Bubba Powell in teaching the 13 pattern push hands drills, and by Magic Tortoise senior student Gabe St Clair in teaching the 3 Harmonies Broadsword.

The group of 20-plus participants from The Magic Tortoise, Greensboro Martial Arts Academy, as well as old DDA friends and students like Kalila from Atlanta, among others, contributed to a marvellous camaraderie and friendly ambience, making the whole event a joy for all concerned.
